# A LETTER FROM THE MAYOR

Photo by Jody Young

February 03, 2024

Dear Prairie Baseball Academy Organization,  
Congratulations on another successful year of high-level baseball education and training here in Lethbridge!

I am writing to express my sincere appreciation for the invaluable work that the PBA has been doing, particularly in the areas of fund raising and partnerships with the University of Lethbridge and Lethbridge College. Your dedication and commitment to our community have not gone unnoticed, and I want to commend you for the positive impact you have made through your initiatives.

The monies raised through your tireless efforts have gone towards the PBA Scholarship Program that supports the players who would otherwise not be able to attend Lethbridge's post-secondary institutions, and your Academy.

I would also like to extend my best wishes to the players associated with the PBA in their academic and athletic pursuits. Your hard work and determination are truly admirable, and I have no doubt that you will continue to excel both on the field and in the classroom. Good luck in all your future endeavors. Thank you once again for your outstanding contributions to our city. I look forward to continuing our collaboration for the betterment of our community.

Sincerely,  
Mayor Blaine Hyggen  
City of Lethbridge

# ABOUT PBA

Photo by Postgame Photography

## Mission Statement

Our mission is to lead Canadian baseball academies in innovation, emphasizing academic and athletic excellence, ensuring the former is never compromised by the latter. We strive to attract elite coaching and training staff and offer top-level instruction to many Canadians. We are committed to uniting Lethbridge's educational communities, upholding non-compromising principles, values, and integrity, and being a community-oriented, respected leader in baseball.

## History

The Prairie Baseball Academy (PBA) was established in the fall of 1995. We converted a Coca-Cola warehouse into a 3,2000 square foot full turf facility with portable mounds, pitching machines, batting cages, weight room and more. We used this facility to supplement our play time at Henderson Stadium, now known as Spitz Stadium, until our ballpark, Lloyd Nolan Yard, was built in 1999. This was also the same year that our close partner, the Lethbridge Bulls Baseball Club, came into being.

## Scholarships

PBA offers approximately \$80,000 to their student athletes in the form of scholarships which are presented at our annual Awards Night and Banquet at the beginning of each year. These scholarships are possible from fundraising efforts such as the Keith Jorgensen Memorial Golf Tournament, the Field of Scream Lethbridge event, and contributions from our community and families of our players. Full scholarships are awarded to top-achieving students, while others may receive nominal fees and high school students may receive bursaries if minimum academic requirements are met. See our Player Handbook at [prairiebaseball.com](http://prairiebaseball.com) for more information.

## After PBA

For over 25 years, we have pushed our student athletes to "Earn The A", on and off the field. We believe PBA is a great building block for our young athletes to become successful in every aspect of their life. We praise the successes of our players as they move on to professional baseball careers and beyond after their time with PBA, but true success shows years later when they become great employees, husbands, fathers, and volunteers in their communities they call home.

# SCHEDULE

Day	Time	Team	vs	Team	Location
Thurs.	1:00	Quebec	vs	Longhorns	Spitz Stadium
