## About Keith and the Tournament

Keith Jorgensen had a dream - that every kid should have the chance to play baseball. Because of him, and you - our supporters - the Prairie Baseball Academy (PBA) has been able to award over \$75,000 annually for scholarships to our players attending the University of Lethbridge and Lethbridge College. These scholarships provide vital opportunities for talented athletes who might otherwise lack access to higher education, allowing them to engage in PBA and excel both athletically and academically. Notably, students can be awarded full scholarships if they show exceptional academic performance.

We offer our heartfelt thank you for attending and contributing to this tournament. Your presence and support honor Keith's memory and greatly support our local baseball players. We hope you enjoy your time here!
